

The wait is over!! Singer songwriter Karen Mitchell has announced her new album, “Willing To Change,” which will be released May 28, 2018. Produced by David Blasucci, the album is a collection of original songs, positive and uplifting, with beautiful melodies and soothing harmonies. The first single from the album is the title track, “Willing to Change,” with a video release set for early June. The album features Karen on lead and backing vocals and harmonium, with producer Blasucci playing many of the other instruments and also lending vocal support as well. The talented Ginny Luke (Meatloaf) plays fiddle on a couple tunes as well as bluegrass banjo and mandolin virtuoso, Patrick Sauber.

“Karen’s songs takes me back to a time and place where music was organic,” said producer David Blasucci. “Her voice is pure, very much like an Emmy Lou Harris or Linda Ronstadt....you can hear the emotion coming out in the songs she’s written.”

Karen Mitchell “Willing To Change” will be available on CD Baby, itunes, Amazon and all the other usual download and streaming services on May 28th.
